## Work Experience

Uploaded my First Mobile Game (Unity) | Dec 2021  
**Plant vs Worms ( 2D )**

- An endless game, Plant vs Worms. We have to protect the plants and smash the worms by tapping them before reaching to the plants.

3D Game ( Unity ) | Currently Working  
**Campus Life 1 (3D) Real Map Design**

- A 3D Car game based on my university campus PUCIT. Almost completed currently just free ride and soon will add Multiplayer Drag Race & Day-Night modes. And many more

3D Game ( Unity ) | Currently Working

**Ring Road Lahore - L20 ( 3D )**

- Currently working on it, Making it on real Ring Road Lahore map using Google map photos.
- Want to make it multiplayer and add different modes in it, Drag Race, Free ride, Rush drive, Seasonal Modes & much more.

## Skills

- |                      |                        |
|----------------------|------------------------|
| • Problem Solving    | <div><div></div></div> |
