Projects

Uploaded my First Mobile Game (Unity) | Dec 2021
Plant vs Worms (2D)

- An endless game, Plant vs Worms. We have to protect the plants and smash the worms by tapping them before reaching to the plants.

3D Game (Unity) | Dec 2021 - ongoing
Nair o Nair (3D)

- An endless car game racing through the traffic on Canal Road Lahore. Currently working on it. (Want to make it multiplayer and add different weathers.)

3D Game (Unity) | Feb 2022 - ongoing
Ring Road Lahore - L20 (3D)

- Currently working on it, Making it on real Ring Road Lahore map using Google map photos.
- Want to make it multiplayer and add different modes in it, Drag Race, Free ride, Rush drive, and different weathers.
